

Beginning with the FFY 2008 Homeland Security Grant Program (HSGP), the LETPP (Law Enforcement and Terrorism Prevention Program) was removed as a specific line item grant. Instead, grant guidance states at least 25% of the overall HSGP grant was to be used towards Law Enforcement and Terrorism Prevention Activities (LETPA). In FFY 2008, the 25% was allocated to the seven (7) F.B.I. accredited bomb teams. In FFY 2009, the 25% was allocated to law enforcement agencies with at least one P.O.S.T (Peace Officer Standards and Training) certified officer and coroners. This is the same allocation method used in LETPP grants prior to FFY 2008.
